

ANTHROPOLOGY COLLOQUIUM SERIES

Doing Good Anthropology in Bad Times

Dr. Anna Willow, *Department of Anthropology, Ohio State University*

Friday, March 11, 2022, 12pm, [Via zoom](#)

How can we rise to the challenge of doing “good anthropology” in “bad times”? And what is “good anthropology” anyway? This presentation traces good anthropology’s multiple meanings and disciplinary precedents, overviews my recent ethnographic attempts to achieve it by focusing on optimistic future-creation practices, and calls for a deeper consideration of our contributions as scholars and citizens of the world.
