Education

Ph.D.	Biological Anthropology	Michigan State University	2016-2022
M.A.	Biological Anthropology	Mississippi State University	2016
B.S.	Anthropology	Texas State University	2011

Affiliations

American Association of Biological Anthropology, Student Member
American Academy of Forensic Sciences, Student Affiliate
Society of Forensic Anthropologists, Member
Dental Anthropology Association, Student Member

Research Interests

Human Variation, Human Evolution, Human Adaptation, Population Affinity, Biodistance, Macromorphoscopic Trait Analysis, Forensic Anthropology, Historical Bioarchaeology, Human Osteology, Cranial Nonmetric Traits, Dental Anthropology, Juvenile Dental Age Estimation, Digital Humanities, Digital Pedagogy, Database Development

Appointments

2022-Present University Research Postdoctoral Fellow, Office of the Vice President for Research, University of Kentucky.
2021-Present Part-time Lecturer, Department of Sociology, Anthropology, Social Work and Criminal Justice, Oakland University.
2021-2022 Graduate teaching assistant, Department of Anthropology, Michigan State University.
2020-2021 Graduate research assistant, Department of Anthropology, Michigan State University.
2019-2020 Laboratory Manager. Forensic Anthropology Laboratory, Michigan State University, East Lansing, Michigan.
2016-2019 Graduate research assistant, Department of Anthropology, Michigan State University.
2015-2016 Archaeological Technician. Atkins, Cultural Resources Department, Austin, TX.
2013-2016 Laboratory Manager. Forensic Anthropology and Bioarchaeology Laboratory, Mississippi State University, Starkville, Mississippi.

Honors, Fellowships, Awards

2021 Visiting Scientist. Visiting Scientist Program, New York Medical Examiner Office.
2021 Fellow. Dissertation Completion Fellowship, Department of Anthropology, Michigan State University; \$7,500. Funds for writing dissertation.
2018-Present Fellow. Campus Archaeology Program, Department of Anthropology, Michigan State University.
2018-19 Fellow. Cultural Heritage Informatics, Department of Anthropology and MATRIX: The Center for Digital Heritage & Social Sciences, Michigan State University. Develop frontend deliverables for presenting cultural heritage projects.

Research Experience

- 2021 Osteological Technician, Michigan State University. Collect macromorphoscopic data for Finnish populations at the Finnish Museum of Natural History.
- 2020 Graduate Research Assistant. Funding through National Institute of Justice Grant entitled *Investigation of subadult dental age-at-death estimation using transition analysis and machine learning methods*, Award No. 2018-DU-BX-0182. Score dental development from radiographic images, develop project website, and beta testing of analytical application.
- 2016-19 Graduate Research Assistant. Funding through National Institute of Justice Grant entitled *A Macromorphoscopic Databank: Establishing the Statistical Analysis of Macromorphoscopic Data in Forensic Anthropology*, Award No. 2015-DN-BX-K012, under the direction of Joseph T. Hefner. Database management and collection of macromorphoscopic trait data.
- 2018 Osteological Technician, Michigan State University. Collect macromorphoscopic data for African populations at the Natural History Museum, London.
- 2017 Osteological Technician, Michigan State University. Collect macromorphoscopic data for unidentified border crossers at Texas State University.
- 2016 Osteological Technician, Michigan State University. Collect macromorphoscopic data for a Thai population at Khon Kaen University.
- 2015-16 Archaeological Technician. Atkins, Cultural Resources Department, Austin, TX. Perform curatorial services in terms of artifact inventory and analysis, generating reports, and prepping documents and artifacts for curation.
- 2014-15 Osteological Technician. Mississippi State Asylum Cemetery Project, Mississippi State University under the direction of Nicholas P. Herrmann. Conducted skeletal analyses from the Mississippi State Asylum archaeological site in Jackson, MS with a focus on establishing demographics of all individuals and assessing oral pathologies.
- 2013-15 Osteological Technician. Mississippi State Medical Examiner's Office (MSME), Jackson, MS. Co-authored forensic reports for skeletal remains associated with the MSME. Number of issued reports: 5.
- 2011-14 Graduate Research Assistant. Funding through National Institute of Justice Grant entitled *Computerized Reconstruction of Fragmentary Skeletal Remains*, Award No. 2011-DN-BX-K537 under the direction of Nicholas P. Herrmann. Conducted skeletal analyses of highly fragmented skeletal remains from the Morton Shell Mound archaeological site in Louisiana.
- 2012 Osteological Technician. Mitrou Archaeological Project, Study Season, Tragana, Greece
- 2011 Volunteer, *Grady Early Forensic Anthropology Laboratory*, Texas State University
- 2011 Laboratory Internship. *The Gault Project*; Department of Anthropology, Texas State University

Field Experience

- 2016-present Osteological Technician, Michigan State University Forensic Anthropology Laboratory. Assist in radiographic identifications at medical examiner offices, field recoveries throughout Michigan, and laboratory analyses.
- 2021 Visiting Scientist, New York City Office of Chief Medical Examiner. Participate in autopsies, field recoveries and searches, and forensic skeletal investigations associated with medical examiner's office.
- 2021 Database developer and Team Lead. Georgian Association of Forensic Anthropology. Led excavation crew for excavation of a commingled mass grave and developed database for the fieldwork and skeletal analysis.
- 2016 Field Technician. Atkins Inc. Participated in Phase I surveys in Louisiana.

- 2014-15 Field Technician. Starkville Survey Project, Tennessee Valley Archaeological Research. Participated in Phase I and II archaeological surveys.
- 2014 Survey Member. Forensic Body Recovery, Panola County
- 2013 Intern. Mississippi State Medical Examiner's Office under the direction of Dr. Mark LeVaughn, Chief Medical Examiner, Jackson, MS. Inventoried and analyzed unidentified skeletal remains, entered cases into NAMUS, and assisted in autopsies.
- 2012-13 Osteological Technician. Mississippi State Asylum Cemetery Project under the direction of Nicholas P. Herrmann, University of Mississippi Medical Center, Jackson, MS; 2012-present. Assisted in the recovery of sixty-six individuals.
- 2011-13 Field Technician. Mississippi State University's Forensic Research Facility. Monitor and record decomposition processes and collect soil samples for microbial research.
- 2012 Volunteer. Kemper County Project, Tennessee Valley Archaeological Research
- 2012 Osteological Technician. Gale Cemetery Burial Recovery under the direction of Nicholas P. Herrmann
- 2012 Archaeological Survey Field School. Department of Anthropology and Middle Eastern Studies, Mississippi State University
- 2012 Survey Member. Forensic Body Recovery, Oktibbeha County
- 2011 Geophysical Technician. Archaeological Gradiometer Survey, Cobb Institute of Archaeology, Sewanee, Tennessee
- 2011 Archaeological Excavation Field School, Belize (Anth 4630). Department of Anthropology, Texas State University
- 2011 Volunteer. *The Gault School of Archaeological Research*; Bell County, Texas

Funding Awards

- 2021 Research Travel Award, Department of Anthropology, Michigan State University; \$2,000. Funds for dissertation data collection.
- 2020 Travel Award, Department of Anthropology, Michigan State University; \$800. Funds for travel to the American Academy of Forensic Science Annual Meeting.
- 2019 Research Travel Award, Department of Anthropology, Michigan State University; \$1,000. Funds for summer research at the American Museum of Natural History, New York.
- 2019 Travel Award, Department of Anthropology, Michigan State University; \$700. Funds for travel to the American Academy of Physical Anthropology Annual Meeting.
- 2019 Travel Award, Department of Anthropology, Michigan State University; \$400. Funds for travel to the American Academy of Forensic Science Annual Meeting.
- 2018 Travel Award, Department of Anthropology, College of Social Sciences, Graduate School, and International Studies & Programs, Michigan State University; \$1,450. Funds to host workshop at annual Latin American Forensic Anthropology meeting, Colombia.
- 2018 Council of Graduate Students Professional Development Award, Michigan State University, \$500. Funds to host workshop at annual Latin American Forensic Anthropology meeting, Colombia.
- 2018 Research Enhancement Award, Michigan State University, \$2300. Funds for travel to conduct dissertation research in Italy and Portugal.
- 2017 Travel Award, Department of Anthropology, Michigan State University; \$600. Funds for travel to the American Academy of Physical Anthropology Annual Meeting.
- 2017 Travel Award, Department of Anthropology, Michigan State University; \$500. Funds for travel to the American Academy of Forensic Science Annual Meeting.
- 2016 Research Assistantship (2016-2019), Department of Anthropology, Michigan State University. Funds for tuition, fees, and stipend.
- 2016 Travel Award, Department of Anthropology, Michigan State University; \$500. Funds for travel to the American Academy of Forensic Science Annual Meeting.

- 2015 Scholarship Award, Forensic Science Foundation Inc. Scholarship Award Competition; \$125. Funds for registration fees for the 2016 American Academy of Forensic Science Annual Meeting.
- 2015 Travel Award, Anthropology and Middle Eastern Studies, Mississippi State University; \$300. Funds for travel to the American Association of Physical Anthropology Annual Meeting.
- 2011 Research Assistantship (2011-2013), Cobb Institute of Archaeology, Mississippi State University. Funds for tuition, fees, and stipend.
- 2013 Travel Award, Cross-College Research Grant, Mississippi State University; \$600. Funds for travel to the 2014 American Academy of Forensic Science Annual Meeting.
- 2013 Travel Award, Anthropology and Middle Eastern Studies, Mississippi State University; \$400. Funds for travel to the American Academy of Forensic Science Annual Meeting.
- 2012 Travel Award, Cobb Institute of Archaeology. Funds for travel and housing during Mitrou Archaeological Project, Tragana, Greece.
- 2011 International Education Fee Scholarship (IEFS), Texas State University; \$750. Funds for travel with study abroad program to Belize

Grants Received

- 2013 Research Grant, Forensic Science Foundation Inc. Lucas Grant, Co-Principal Investigator with Monica M. Warner and Dr. Nicholas P. Herrmann, *entitled Refining Hydrogen and Oxygen Isoscapes and Trace Elements for the Identification of Human Remains in Mississippi*, \$3000

Publications

- In Press* Amber M. Plemons, Kelly R. Kamnikar, Alexis Goots, Jack Biggs
Landmark And Measurement-based Data Assistant (LAMbDA): A pedagogical tool for cranial landmark data collection. *Journal of Forensic Anthropology*.
- 2022 Kelly R. Kamnikar, Amber M. Plemons, Micayla C. Spiros, Joseph T. Hefner.
Estimación de la ancestría utilizando características morfológicas. In: Quinto-Sánchez M, Gomez-Valdés J, eds. *Avances en Antropología Forense*. Mexico City: Universidad Nacional Autónoma de México.
- 2022 Jack Biggs, Jeff Burnett, Rhian Dunn, Emily Milton, and Amber M. Plemons
Campus Archaeology Program at Michigan State University: Reevaluating our program during a pandemic. *SAA Archaeological Record*.
- 2022 Micayla C. Spiros, Amber M. Plemons, Jack Biggs.
Digital Pedagogy, Access, and Ethical Considerations in Biological anthropology. Special issue in *Science & Justice*.
- 2020 Rhian R. Dunn, Micayla C. Spiros, Kelly R. Kamnikar, Amber M. Plemons, Joseph T. Hefner. Ancestry Estimation in Forensic Anthropology: A Review. *Wiley Interdisciplinary Reviews: Forensic Science*. DOI: 10.1002/wfs2.1369
- 2018 Kelly R. Kamnikar, Nicholas P. Herrmann, Amber M. Plemons
New approaches to juvenile age estimation in forensics: Application of transition analysis via the Shackelford et al method to a diverse modern subadult sample. *Human Biology Journal*.
- 2017 Kelly R. Kamnikar, Amber M. Plemons, Joseph T. Hefner
Intraobserver Error in Macromorphoscopic Trait Analysis. *Journal of Forensic Sciences*. DOI:10.1111/1556-4029.13564
- 2016 Monica M. Warner, Amber M. Plemons, Nicholas P. Herrmann, Laura A. Regan
Refining Oxygen ($\delta^{18}\text{O}$) and Hydrogen ($\delta^2\text{H}$) Isoscapes for the Identification of Human Remains in Mississippi for the *Journal of Forensic Sciences*.
- 2016 Amber M. Plemons and Joseph T. Hefner
Ancestry Estimation using Macromorphoscopic Traits for *Academic Forensic Pathology*.
- 2016 Nicholas P. Herrmann, Amber M. Plemons, Edward Harris

Estimating Ancestry of Fragmentary Remains Via Multiple Classifier Systems: A Study of the Mississippi State Asylum Skeletal Assemblage. In MA Pilloud and JT Hefner (eds): *Biological Distance Analysis Forensic and Bioarchaeological Perspectives*, Ch.15. Elsevier Press, New York.

Professional Conferences

- 2020 Kelly R. Kamnikar, Amber M. Plemons, Nicholas P. Herrmann, Jennifer E. Spence, Yann Heuzé, Joseph T. Hefner
A Comparison of Two Dental Age Estimation Methods Using Transition Analysis (TA).
Poster present at the American Academy of Forensic Sciences, Anaheim, CA.
- 2020 Joseph T. Hefner, Amber M. Plemons
A Geometric Morphometric Approach to Quantify the Impact of Admixture on Craniofacial Form, Anaheim, CA.
- 2019 Nicholas P. Herrmann, Amber M. Plemons, Grant L. Harley, Molly K. Zuckerman, Willa R. Trask.
Data Integration of the Mississippi State Asylum Burial Sample and Archival Records. Poster presented at the Southeastern Archaeological Conference, Jackson, MS.
- 2019 Ashley C. Dafoe, Molly K. Zuckerman, Nicholas P. Herrmann, Amber M. Plemons, Brittany N. Higgs.
Proximate and Ultimate Causes of Rising NCD Mortality in the Mississippi State Asylum (1855-1935). Poster presented at the American Association of Physical Anthropologists Annual Meeting, Cleveland, OH. Published Abstract.
- 2018 Kelly R. Kamnikar, Nicholas P. Herrmann, Amber M. Plemons
New approaches to juvenile age estimation in forensics: Application of transition analysis via the Shackelford et al method to a diverse modern subadult sample. Poster presented at the American Association of Physical Anthropologists Annual Meeting, Austin, TX. Published Abstract.
- 2018 Amber M. Plemons, Joseph T. Hefner, Kelly R. Kamnikar
Refining Asian Ancestry Classifications via Cranial Macromorphoscopic Traits. Poster presented at the American Association of Physical Anthropologists Annual Meeting, Austin, TX. Published Abstract.
- 2018 Kelly R. Kamnikar*, Amber M. Plemons*, Alexis Goots
Landmark And Measurement-Based Data Assistant (Lambda): A Pedagogical Tool For Cranial Landmark Data Collection Introduction. Paper presented at the American Academy of Forensic Sciences Annual Meeting, Seattle, WA. Published Abstract. *Presenting author.
- 2017 Nicholas P. Herrmann, Michelle L. Davenport, Amber M. Plemons, Grant L. Harley, Audrey D. Shaefer, Molly K. Zuckerman
Historical Bioarchaeology and DVI: Data Integration of the Mississippi State Asylum Burial. Poster presented at the American Association of Physical Anthropologists Annual Meeting, New Orleans, LA. Published Abstract.
- 2017 Amber M. Plemons, Michelle Davenport, Nicholas P. Herrmann
Historic and Skeletal Mortality for the Mississippi State Asylum. Poster submitted to the American Association of Physical Anthropologists Annual Meeting, New Orleans, LA. Published Abstract.
- 2017 Monica M. Warner, Amber M. Plemons*, Nicholas P. Herrmann
Assigning Region of Origin in the Southeastern United States Using Stable Oxygen Isotopes of Modern Human Enamel. Paper presented at the 69th American Academy of Forensic Sciences Annual Meeting, New Orleans, LA. Published Abstract. *Presenting author.
- 2017 Joseph T. Hefner and Amber M. Plemons
Introducing the Macromorphoscopic Databank: A data collection and analytical tool for the analysis of macromorphoscopic trait data. Paper presented at the 69th American Academy of

- Forensic Sciences Annual Meeting, New Orleans, LA. Published Abstract.
- 2016 Amber M. Plemons, Nicholas P. Herrmann, Edward Harris
A Multiple Classifier System Approach to Determining Ancestry: A Preliminary Study. Paper presented at the 68th American Academy of Forensic Sciences Annual Meeting, Las Vegas, NV. Published Abstract.
- 2015 Monica M. Warner, Amber M. Plemons, Nicholas P. Herrmann
Refining Hydrogen and Oxygen Isoscapes for the Identification of Human Remains in Mississippi. Paper presented at the 67th American Academy of Forensic Sciences Annual Meeting, Orlando, FL. Published Abstract.
- 2015 Mark M. LeVaughn, MD, Amber M. Plemons, Nicholas P. Herrmann
Gone and Forgotten: A Medical Examiner's Nightmare. Presenting author, paper presented at the 67th American Academy of Forensic Sciences Annual Meeting, Orlando, FL. Published Abstract.
- 2015 Amber M. Plemons and Nicholas P. Herrmann
Porcine Taphonomic Database for the Mississippi State University Forensic Science Research Plot. Presenting author, paper presented at an invited session for the Annual Taphonomic Meeting at the 67th American Academy of Forensic Sciences Annual Meeting, Orlando, FL.
- 2014 Molly K. Zuckerman, Nicholas P. Herrmann, Amber M. Plemons, Michael Murphy, Derek T. Anderson
Institutionalized lives, institutionalized bodies: preliminary data from excavations at the 'Mississippi State Lunatic Asylum' (1846-1935), Jackson, MS. Paper presented at the Society for American Archaeology, Austin, TX. Published Abstract.
- 2014 Derek T. Anderson, Ryan Young, Amber M. Plemons
A Debitage Analysis of the Clovis and Early Archaic Components at the Topper Site. Poster presented at the Society for American Archaeology, Austin, TX. Published Abstract.
- 2014 Kelly R. Kamnikar, Amber M. Plemons, Nicholas P. Herrmann, Derek T. Anderson, Molly K. Zuckerman.
Forensic methods applied in bioarchaeological contexts: The Gale Family Cemetery. Poster presented at the Society for American Archaeology, Austin, TX. Published Abstract.
- 2013 Molly K. Zuckerman, Nicholas P. Herrmann, Derek T. Anderson, Amber M. Plemons
Making private lives in the past public in the present: preliminary results from investigations at the 'Mississippi State Lunatic Asylum.' Paper presented at the American Anthropological Association Annual Meeting, Chicago, IL. Published Abstract.
- 2013 Amber M. Plemons, Nicholas P. Herrmann, Derek T. Anderson, Molly K. Zuckerman
Recent Bioarchaeological Investigations in Jackson, Mississippi: Issues and Observations. Presenting author, poster presented at the Mississippi Archaeological Association Annual Meeting, Tupelo, MS
- 2013 Amber M. Plemons, Nicholas P. Herrmann, Franklin E. Damann, Scott T. Willard
An examination of postmortem interval relative to microbial biomass of soil at the MSU Forensic Science Research Plot. Presenting author, poster presented at the 65th American Academy of Forensic Sciences Annual Meeting, Washington D.C. Published Abstract.

Professional Service

- 2019 Forensic Anthropology [Journal]: Student Peer Reviewer
- 2018 American Journal of Physical Anthropology: Student Peer Reviewer
- 2018 Student Member, American Academy of Forensic Sciences Anthropology Section's Ad Hoc Committee for the Development of an Outstanding Mentorship Award
- 2017 Forensic Anthropology [Journal]: Student Peer Reviewer

Professional Workshops Hosted

- 2019 Joseph T. Hefner, Amber M. Plemons, Kelly R. Kamnikar.
Macromorphoscopic (MMS) Traits: Data Collection and Analysis. Workshop for students and professionals at Texas State University, San Marcos.
- 2019 Human Remains Course. Lecture, hands-on osteology laboratory, and full-scale excavation training course for Michigan State Police. Lansing, MI.
- 2018 Nicholas P. Herrmann, Kelly R. Kamnikar, Amber M. Plemons.
Análisis transicional para la estimación de la edad biológica. Workshop presented in English and Spanish at the XIV Congress of the Asociación Latinoamericana de Antropología Forense in Santa Marta, Colombia.
- 2018 Joseph T. Hefner, Amber M. Plemons, Kelly R. Kamnikar
Macromorphoscopic (MMS) Traits: Data Collection and Analysis. Workshop for students and professionals at the American Academy of Forensic Sciences Annual Meeting in Seattle, WA.
- 2106 Joseph T. Hefner, Amber M. Plemons, Kelly R. Kamnikar
Data Collection in Ancestry Estimation. Workshop hosted for students and professionals at Khon Kaen University, Thailand teaching macromorphoscopic trait analysis and how to digitize crania.

Professional Working Groups / Workshops Attended

- 2020 Anti-Racism and Equity Training, Society of Historical Archaeology.
- 2019 DNA-sequence data and phylogenies in biodiversity; Week-long workshop hosted by Physalia Course; Lodz, Poland.
- 2018 Periodontal Disease, Dental Anthropology Association, hosted by Simon Hillson. Learned the epidemiology and methods of recording periodontal disease.
- 2017 Michigan Mortuary Response Team: Disaster Victim Response Training. Learned the operations within each subdivisions of the response team and how to conduct recoveries.
- 2012-15 Mississippi State University Cross-College Forensic Working Group. Conduct decomposition research and attend progress meetings with various departments at Mississippi State University.
- 2013 *Perimortem Trauma Workshop*, Mountain, Swamp, and Beach Conference; Dr. Dawnie W. Steadman. Learned how to identify various types of perimortem trauma via reference samples provided by the William Bass Donated Collection.

Public Engagement and Invited Lectures

- 2020 The Sci-Files-06/21/2020-Amber, Kelly, Micayla-Talking with Skeletons. Podcast. Michigan State University Student Radio Station.
- 2017 *Forensic Anthropology: Methods of Identification* via Michigan State University. Assisted in teaching high school students in a workshop on skeletal identification methods.
- 2016 *Outdoor Human Remains Recovery* via Forensic Anthropology Center, Texas State University. Assisted in training educators, medical examiners, and graduate students in skeletal death investigations and field recovery.
- 2016 *Skeletal Death Investigation through Texas A&M Extension Service* via Forensic Anthropology Center, Texas State University. Assisted in training law enforcement in skeletal death investigations and field recovery.
- 2015 Amber M. Plemons, J. Ryan Young, William Turner, and Stephanie Fuehr
Forensic Anthropology: Methods of Identification and Determining Postmortem Interval. Invited lecture and workshop for the Mississippi Division of the International Association for Identification, Biloxi, Mississippi.
- 2014 Nicholas P. Herrmann, Amber M. Plemons, Kelly R. Kamnikar, and Monica M. Warner

- Human Versus Nonhuman*, Mississippi Coroner Training Workshop. Workshop to train coroners throughout Mississippi to distinguish between human and faunal remains. Assisted in organizing the workshop and oversaw the dental session.
- 2014 Amber M. Plemons
Forensic Anthropology: Services Available through Mississippi State University. Invited lecture by the Mississippi Division of the International Association for Identification, Pearl, Mississippi.

Certifications:

- 2019 CITI Certification: Group 2 Social & Behavioral Research Investigators. September 19.
2019 CITI Certification: Social-Behavioral Educational Researchers. September 13.

Teaching Experience

- 2022 Instructor. Introduction to Cultural Anthropology (AN 1111), Online. Oakland University. Fall semester.
- 2022 Instructor. Evolution and Archaeology (AN 1511), Online. Oakland University. Spring semester.
- 2022 Graduate Teaching Assistant. Human Osteology (ANP 441), Michigan State University. Spring semester. Responsible for teaching weekly labs.
- 2021 Instructor. Introduction to Cultural Anthropology (AN 1111), Online. Oakland University. Fall semester.
- 2021 Instructor. Evolution and Archaeology (AN 1511), Online. Oakland University. Summer semester.
- 2020 Instructor. Introduction to Physical Anthropology (ANP 206), Online. Michigan State University. Summer semester.
- 2019 Instructor. Introduction to Physical Anthropology (ANP 206), Online. Michigan State University. Summer semester.
- 2019 Graduate Teaching Assistant. Introduction to Physical Anthropology (ANP 206), Michigan State University.

Instrument and Software Experience

R Version 3.4.4
Microscribe G Digitizer
3Skull 2.0 (Digitizer software)
NextEngine Desktop 3D scanner: Model 2020i
Leica Total Station with TDS, running Survey Pro
JEOL JSM-6500F Field Emission Scanning Electron Microscope with X-EDS and WDS spectrometers and Oxford Instruments INCAEnergy+ software
Carl Zeiss EVO50VP Variable Pressure Scanning Electron Microscope
Avizo, 3D Visualization and Analysis Software
ArcGIS
Osteoware 2.4
FORDISC 3.0
ADBOU 2.1
Macromorphoscopic Traits (MMS) 3.1
GitHub
Wordpress
Mapbox
Agisoft Metashape, Photogrammetry Software
