Selected Employment

- Independent Teaching Artist (November 2018-Present)
Responsible for assisting with media arts projects as needed in public schools served by the Berea College Partners for Education, including but not limited to the “Arts Connect Appalachian Youth” project and the Appalachian Teaching Artist Fellowship funded by the National Endowment for the Arts.
- Berea College Adjunct Lecturer of Peace & Social Justice (January-May 2020)
Responsible for designing, teaching, office hours, and administration of an undergraduate course on Ethnographic Research Methods (PSJ/SOC 386), which meets the research methods requirement for Peace & Social Justice Studies majors; responsible for transitioning from face-to-face to remote online delivery of course content and classroom communication for the mid-semester COVID-19 lock-down.
- Independent Media Arts Consultant for KET Media Arts Toolkit (January-December 2018)
Responsible for assisting Kentucky Educational Television (KET) with assessment of its Media Arts Toolkit prototype for public school teachers and the creation of additional background materials, lesson plans, and other instructional activities/materials where needed.
- Research Assistant/Interviewer (March 2018-September 2018)
Responsible for helping conduct interviews and assisting with administrative support for a qualitative research project on “The Meaning of Community Safety in Appalachian Kentucky” conducted by Dr. Charlotte Gill (George Mason University).
- Independent Media Arts Consultant/Teaching Artist (December 2017)
Responsible for assisting with digital media collection, curation, and production of digital stories for the Creative Assets Mapping Project sponsored by Berea College Partners for Education; responsible for instructing/assisting students with media production on site at selected Eastern Kentucky high schools as well as remotely compiling, editing, and uploading student-produced content.
- High Rocks Educational Corporation Teacher (July-August 2015, 2016, 2017, 2018)
Responsible for designing and implementing a media literacy and media production curriculum for the 2-week media track major and minor of the Camp Steele for high school girls in West Virginia in 2015, 2016, 2017, and 2018; responsible for designing and implementing a “Creative Expressions” curriculum for the 2-week New Beginnings camp for tween girls in 2017; served as Master Teacher for both New Beginnings and Camp Steele in 2017, responsible for assisting with overall camp organization and implementation and for coordinating the academic staff and instruction for core programming.
- University of Kentucky Department of Anthropology Teaching Assistant (August 2012-May 2013, Spring 2014, August 2014-May 2015)
Responsible for designing and implementing all aspects (i.e., syllabus, assignments, exams, grading, etc.) of a standalone course on “Cultural Diversity in the Modern World” (Spring 2015); responsible for preparing and facilitating three discussion sections for “Cultural Diversity in the Modern World” (Fall 2012, Spring 2013, Fall 2014, and two sections in Spring 2014), grading assignments and quizzes, consulting with students during out-of-class office hours, assisting with course administrative tasks, attending TA meetings, attending two required TA workshops a semester, and presenting a brief presentation on my dissertation research topic. Responsibilities in Spring 2014 also included assisting the Department of Anthropology with pedagogical resources and tasks.
- University of Kentucky Appalachian Center Teaching Assistant (August-December 2013)
Responsible for preparing and facilitating three discussion sections for “Introduction to Appalachian Studies” (Fall 2013), grading assignments, consulting with students during out-of-class office hours, assisting with course administrative tasks, attending weekly TA meetings, communicating with students via email and Blackboard, and presenting a brief presentation on my dissertation research topic.

- Executive Assistant to the President of Berea College (July 2011-August 2012)
Responsible for writing, researching, editing, and proof-reading for various documents (including the 2011 revision of strategic plan *Being and Becoming: Berea College in the 21st Century*, scholarly articles, some campus publications as well as fundraising proposals and reports; provided staff support for two College governance committees (Administrative Committee and Strategic Planning Committee); organizing and archiving historical office documents; overseeing the collection of general education data; and assisting in various capacities during the presidential leadership transition.
- Berea College Center for International Education Administrative Assistant (Nov. 2010- July 2011)
Responsible for administrative support to the CIE Director, International Scholar and Student Services, and Education Abroad; managing departmental budgets and accounts; supervising labor students and coordinating student payroll; making travel arrangements for campus programming guests.
- Bluegrass Community & Technical College (BCTC) Adjunct Faculty Member (Fall 2010)
Responsible for teaching and administration of an undergraduate course on Introduction to Religious Studies (RS 101) in the Communication, History, Languages, and Social Sciences division at the BCTC Leestown Campus.
- Alternate ROOTS Annual Meeting Green Team Coordinator (Summer 2010)
Responsible for coordinating the campus-wide composting and recycling, collaborating with and supporting other Work Co-ops, managing Green Team volunteers, and promoting general awareness of green practices and opportunities on the Alternate ROOTS website and at the Annual Meeting.
- Independent Sustainability Consultant for Federation of Appalachian Housing Enterprises (Fall 2009)
Responsible for conducting a research review of existing literature, organizations, programs, key actors, and other resources in and around FAHE's Appalachian service region regarding green construction practices, educational opportunities, and green job development; producing a research report and recommendations as well as a follow-up report; and convening and facilitating an online focus group of key stakeholders and leaders to identify emerging programs and opportunities.
- Berea College Sustainability Coordinator (December 2005-June 2009)
Responsible for the general administration of the Ecological Sustainability Education (ESE) program including budget management; coordinated the Sustainability Research Mini-Grant program to help fund research related to the sustainability practices or teaching; funded discretionary project/program needs as they arose on a case-by-case basis or to enhance/support existing programming and collaborations; compiled a "Guide to Sustainability at Berea College" with basic contact information and summaries of campus sustainability initiatives; developed a comprehensive sustainability website about Berea's numerous efforts; coordinated design, production, and placement of educational green building signage for Lincoln and Draper Halls; organized, included in, or led around 30 tours of ecological renovations for more than 100 individuals; gave about 40 formal workshops/ presentations as well as several other informal presentations; consulted with hundreds of on- and off-campus constituents on various sustainability-related issues; supervised 2-4 student assistants as part of the Berea College Labor Program; organized campus-wide Focus the Nation Climate Change Teach-In with the help of student labor assistants and a committee of student volunteers; collaborated with the Appalachian Center Program Coordinator to coordinate the Fossil Fools week-long artist residency; initiated an Office Supply Exchange for collection and redistribution of free surplus office supplied to faculty, staff, students, and local non-profit organizations; and served as Implementation Liaison for President Larry Shinn for the American College and University Presidents Climate Commitment (ACUPCC) responsible for a two-month preliminary report (in collaboration with Executive Assistant to the President) and an institutional greenhouse gas (GHG) inventory (in collaboration with the Energy Manager).
- Executive Assistant to the President of Berea College (September 2001-January 2006)
Responsible for writing, researching, editing, and proof-reading for various documents (including the 2006 revision of strategic plan *Being and Becoming: Berea College in the 21st Century*, scholarly articles, some campus publications as well as institutional re-accreditation documentation for the Southern Association of Colleges and Schools (SACS); provided staff support for two College

governance committees (Administrative Committee and Strategic Planning Committee); organized annual Founders' Day convocation and related events; organized a faculty retreat, general correspondence; collaborated with staff and students for miscellaneous projects; also served on an ad-hoc "Document Imaging Committee" responsible for assessing the digital filing needs in various campus offices and for selecting a vendor based on these criteria.

- Schlesinger Library on the History of Women in America Manuscript Desk Worker (Sept. 1999-June 2001)
Responsible for monitoring manuscript reading room and researchers, assisting researchers, retrieving manuscript collections, miscellaneous desk-projects, data-entry, and photocopying; also self-initiated a tour of the library for Women's History Month 2000 and a library staff movie night.
- Berea College Women's Studies Office Assistant * (Sept. 1997-May 1999)
Responsible for public relations (phone, mail, and email correspondence, publicity flyers, establishing/maintaining contacts), advising students in Women's Studies, logging in and maintenance of the Women's Studies resource library materials, assisting student researchers in Women's Studies library, set-up and serving for weekly luncheons. Also self-initiated a Women's Studies email bulletin board and webpage, organized off-campus Women's Studies opportunities for students such as trips to the Appalachian Women's Alliance Ironweed Festival and the Kentucky Women Writers Conference.
- Berea College Women's Studies Teaching Assistant * (Sept.-Dec. 1997, Jan.-May 1999)
Responsible for ordering and reading course texts, contributing to syllabus and assignment formation, participating in and/or leading class discussion, tutoring students out of class, making copies, reserving media equipment, word processing for general studies courses "Stories" "World Issues Since 1945" as well as "Introduction to Women's Studies."
- Kentucky Governor's Scholars Program Resident Assistant (Summer 1994)
Responsible for assisting and advising a floor of high school students, leading a discussion seminar; also self-initiated a regular writing group and hacky-sack circle.
- Elementary Spanish Teacher * (Sept. 1991-May 1992, Sept. 1993-May 1994)
Responsible for organizing lesson plans, developing vocabulary, creating/copying worksheets, and initiating Hispanic-related activities for weekly classes grades K-5.

[Note: All positions with an asterisk (*) denote Berea College labor positions.]

Other Training

Academic Internship:

- Brushy Fork Leadership Development Program (Sept. 1998-May 1999)

Certification:

- Community Scholars Program, Kentucky Folklife Program (Fall 2009)

Community Service and Leadership Positions

- University of Kentucky Association of Anthropology Graduate Students (2011-Present)
Member: for several years, assisted with writing letters to request co-sponsorship funding from various UK academic departments and programs for the Distinguished Lecture Series (DLS).
- University of Kentucky Graduate Appalachian Research Community (2011-Present)
Member: participated in select lecture/luncheons and shared relevant resources and information through electronic list-serves; President (2012-2014): responsible for chairing meetings, serving as the official representative of the organization, and appointing all committees and commissions of the organization with the advice and consent of the membership.
- Appalachia – Science in the Public Interest (2009-2014, 2018-Present)
Board Member/President: Chair/member of Executive Director search/hiring committee (2010 and 2012); Board Member (October 2018-Present); Volunteer: helped with various sustainability projects (Aug. 1994, June 1996) and service-learning programs (ongoing).
- *Kentucky Folklife Magazine* (2021-Present)
Editorial Board Member: Responsible for establishing and evaluating the magazine's vision, health, goals, needs, and mission; decision-making regarding submission criteria, the many iterations / definitions / expressions of "Kentucky folklife," and highlighting different voices and perspectives; and providing leads for potential board members and fundraising/funding support.
- Appalachian Studies Association *Journal of Appalachian Studies* (2013-2014, 2020)
Manuscript reviewer (as-needed): Responsible for peer-reviewing manuscript submissions for publication consideration.
- Appalachian Studies Association Economic Development Committee (2017-2018)
Member: served on work group to select and organize theme- and sub-theme-related sessions for the 2018 ASA Conference in Cincinnati.

- University of Kentucky Student Sustainability Council (2014-2016)
 Director of Development: responsible for developing project solicitations, guiding groups/individuals through the proposal process, collecting proposal submissions for the SSC, responding to project proposals, and following up with funded projects to collect project reports. Member: served as Graduate Student Council (GSC) representative, responsible for reviewing proposals and attending monthly meetings to discuss and select proposals for funding. Volunteer: served as a member of the selection committee for reviewing and approving applications for UK researchers to access SSC-funded licenses for the Climate Data Project.
- *Contemporary Journal of Anthropology and Sociology* (Aug. 2012-2014)
 Editorial Assistant: Responsible for proofreading assigned manuscripts for typos, errors, APA style format, matching citations and references, tables and other data-related graphics, and for submitting them to the Editor-in-Chief prior to final publication. [*Formerly the Kentucky Journal of Anthropology and Sociology*]
- Berea College Service-Learning Advisory Committee (2007-2009, 2011-2012)
 Member: CELTS group of service-learning faculty, staff, and local community partners.
- Kentucky Environmental Foundation (2009-2012)
 Board Member: assisted with 20th anniversary fundraising, end-of-year phone appeals, and social media outreach.
- AASHE Advisory Council (2008-2009)
 Member: group of sustainability professionals responsible for providing programmatic advice and support to the staff and governance board of the Association for the Advancement of Sustainability in Higher Education (AASHE).
- Berea College General Faculty Assembly (2006-2009)
 Faculty Secretary: responsible for taking minutes for monthly General Faculty Assembly (GFA) meetings and submitting them to the Executive Council and then the GFA for formal approval.
- Berea College Staff Forum Advisory Committee (Spring 2008, 2012)
 Member: informal consultation group of staff responsible for occasional consultation with Staff Forum Co-Chairs regarding monthly agendas and meetings.
- Berea College Wellness Committee (2008-2009)
 Member: informal consultation group of staff, students, and faculty regarding wellness programming and assessments for the Berea College community.
- Berea College Energy and Empowerment Program Planning Committee (2008-2009)
 Member of planning group for the three-year, grant funded "Energy and Empowerment" community-based research project administered by the Berea College Center for Excellence in Learning Through Service (CELTS).
- Chemical Destruction Community Advisory Board (2007-2009)
 Member: Berea College representative responsible for attending quarterly meetings on behalf of the College community regarding the ongoing chemical weapons destruction program at the Bluegrass Army Depot.
- Berea College Local Food Initiative (September 2004-2009)
 Steering Committee Member: responsible for meeting regularly and engaging in research about local food initiatives at institutions of higher education as well as local food resources in the area in order to propose and promote the use of local/regional foods in Berea College dining facilities; responsible for helping organize campus-wide awareness events, developing and implementing a campus-wide survey, writing articles for the *Pinnacle* and SENS newsletter, and finalizing LFI report and proposal to the Berea College Administrative Committee.

- Madison County Action Team (Oct. 2003-June 2012)
Board Member (Co-Chair and Scribe): responsible for initiating and implementing a GLBTQ networking meeting at the 2011 Appalachian Studies Association Conference and a diversity workshop series in collaboration with the Berea College Appalachian Center, both funded by the Appalachian Community Fund (ACF) GLBTQ Initiative; helping organize and implement key projects of MCAT/MERJ (Madison, Estill, Rockcastle, Jackson); meeting agendas/minutes; coordinating communication and networking (email list-serves, newsletters, press releases, project/event publicity, website, grant proposals, etc.); maintaining historical documents and ongoing files; policy discussions/decisions; financial planning; maintenance of documents/files; subcommittee delegation; rental agreement; work parties and other on-site maintenance activities; and supervising summer labor students from Berea College; coordinating fundraising to pay off a small business loan; facilitating the formal dissolution of the organization.
- Berea College Women's Studies Steering Committee (2002-2009)
Member: responsible for helping assess and make decisions about the Women's Studies curriculum and courses for the major and minor; Volunteer: representing Women's Studies for Academic Forums at Berea College Registration & Orientation Weekends for incoming freshmen.
- Kentucky Solar Partnership (2002-2010)
Member: volunteer for assisting with public education about alternative energy, including hosting an open house at personal residence for the 2002, 2003, 2005, 2006, 2007, 2008, 2009, 2010, 2011, and 2012 Kentucky Solar Tour and providing information about the energy-efficient house for the 2004 Bluegrass Energy Expo.
- Harvard Divinity School (HDS) Women's Studies in Religion Search Committee (Fall 2000)
One of two student members of faculty committee: responsible for reading and commenting on all applications for HDS WSRP research fellowships, collaboratively selecting semi-finalists, and presenting the final selection of scholars/professors to the HDS professorial committee for approval.
- HDS Women's Action Caucus (Sept. 1999-June 2001)
Board member: responsible for helping facilitate meetings, plan events, publicity. Self-initiated and co-organized Mary Daly lecture for Women's History Month 2000 and a multi-cultural speaker (with GABLE) in Fall 2000.
- HDS GABLE (Sept. 1999- June 2001)
Board member: responsible for organizing meetings, helping plan events, maintaining organization documentation, publicity.
- HDS UNITE (Sept. 2000-June 2001)
Founding member: group organized several initiatives to promote increased diversity of HDS faculty, including a petition, a Preach-in, a teach-in and meetings with administrators.
- Helping Understand Berea (H.U.B.) (Sept. 1998-May 1999)
Facilitator: responsible for meeting reminders, agendas, set-up, leading discussion, press releases, final presentation for a Brushy Fork internship project; group established a mission statement and goals to improve campus information dissemination and accessibility for students, gathered information about campus resources to assess problems and needs, and created a communications proposal for addressing these issues.
- Berea College Women's History Month Committee (Jan. 1998-May 1999)
Co-chair F'98-S'99: facilitated meetings, organized events and calendar for Women's History Month. Self-initiated projects include a book discussion group about and a student meeting with bell hooks, as well as a Women's Fair, Single Parent Workshop, and a Single Parent Survival Manual.
- Berea College Habitat for Humanity (Spring 1994)
Volunteer and Alternative Spring Break Participant.

- Berea College Environmentally Concerned Students (Sept. 1993-May 1994)
One of many volunteers and organizers for the 1st Earthroots Jamboree Earth Day celebration.
- Berea Buddies Mentorship Program (Fall 1993)
Mentor and volunteer for annual “lock-in.”
- Project Graduation Conference (Oct. 1991)
One of two Montgomery County High School senior students selected to attend Conference on planning, fund-raising, and organizing non-alcoholic activities for an after-prom event.
- Montgomery County High School Senior Class President (Aug. 1990-May 1991)
Facilitated Senior Advisory Board meetings, officers’ meetings, helped organize school-spirit events and fund-raise for the prom.

Presentations/Workshops

- *Forthcoming*: Invited panelist on “Folklife Programming with Media” for the Kentucky Folklife Network Gathering, March 6, 2021.
